Also a special thanks to the Lions and Elks Lodge for supplying the refreshments and referees and to everyone who helped in any way. Also to the parents who turned out and supported the Minor Hockey Day.

GEORGE & TANYA

That's top Canadian golfer George Knudson and the furry feline on the other end of the leash is a cat named Tanya—but she isn't your usual household pet. She's a wild South American cat called a Margay and she can be pretty vicious. She's reminded George of his exciting golf match at the San Fernando Golf Club in Sao Paulo, Brazil last summer which he played against Lee Elder and George Archer for television's Wonderful World of Golf series. George was one of 12 top golfers competing in the \$124,000 international elimination tournament which will be shown on the CBC-TV network Saturdays at 5 p.m. in full color starting Jan. 24. The Knudson-Elder-Archer match can be seen Saturday, Jan. 24.

Services Held For Joseph Moscanica

MOSCANICA — Joseph of Coleman passed away in Coleman on Jan. 25, 1970 at the age of 90 years. He was born in Lokkian Province, Wilno, Poland on July 31, 1909 and came to Canada to Coleman in 1961 and lived here ever since. He was secretary of the Polish Society and a member of UMWA and the Canadian Legion. He served in the Second World War with the British Combarbans in Poland. He married the former Veronika Szumowicz in Poland in 1933.

Survivors include his wife Veronika of Coleman and a son Michael in Coleman, one daughter in Poland. Requiem Mass was celebrated by Father Jim Hagel on Saturday, Jan. 31 at 11 a.m. Prayers were said Friday, Jan. 30 in the Coleman Holy Ghost Catholic Church.

Interment was in the Coleman Catholic Cemetery. Fantin Chapels Ltd. was in charge of arrangements.

Annual Meeting Feb. 17

Coleman council at its regular meeting set Feb. 17 as the date for the annual ratemakers meeting. The meeting will be held in the Central school auditorium at 7 p.m.

Trustees of the Crownest Pass School Division No. 63 will meet with Coleman to discuss rates for supplying electrical power for the new Crownest Pass school to be opened next fall.

Council received a rough draft (number three) of the Regional Development Renewal program being planned by the Old Man River Regional Planning Commission.

Date for the annual Council of Revision was set for 7 p.m., March 25 in the council chambers.

Auditor Alex Wells, chartered accountant, was present at the meeting and reviewed the annual financial statement with council.

Former Coleman Resident Passes

SMITH — At the Veterans' Hospital on Jan. 26th, 1970, Norman Dryden Smith, aged 75 years of 3237 Aldridge Street, Born in Aberdeen Scotland and a resident of Victoria since 1955, formerly of Vancouver, B.C. He leaves his loving wife Hannah, a daughter Mrs. F. G. (Norman) Beachman of Vancouver, one granddaughter, a sister-in-law in England, a niece and nephew. Mr. Smith was a member of the Masonic Craft and the Britannia Br. No. 7 R.C.L.

School Board Elections To Be Held

Louis Olinek and Jim McInchment Veno Pozzi have entered their names to run in an election for one vacancy on the board of trustees of the Crownest Pass School Division No. 63.

The term of Mr. Pozzi has expired on subdivision No. 3 for Bellevue, Frank, Mohawk and Hillcrest.

Grant Hall of Blairmore was re-elected by acclamation as trustee for Blairmore subdivision No. 2 and Mrs. Nora Goulding was re-elected by acclamation as trustee for Coleman subdivision No. 1.

Election date has been set for Feb. 19 in subdivision No. 3 between the hours of 10 a.m. to 7 p.m.

United Church Women's Meeting

The UCU held their first meeting of the new year on Jan. 19 in the United Church club room. Rev. David Hembling installed the new officers for 1970. Mary MacKinnon is president, Florence Kerr vice-president, Betty Root secretary, Emily Owen, treasurer, and Florence Kerr is also corresponding secretary.

Other committee posts filled were stewardship and recruiting Jean Broddy, community friendship Pauline Bacovsky, kitchen committee Rene Coover and Mary Mervonik, publicity Helen Liddell.

New members would be heartily welcomed. The meetings are held the third Monday of the month in the club room at 7:30 p.m.

Mr. Murdoch Receives Attache Case

The congregation of Saint Paul's United Church following its regular meeting last week held a social hour to honor Mr. Murdoch who will leave Coleman next month to reside at Hilken.

Mr. Murdoch who has been active in United Church affairs for many years and organizer for the church was presented with an attache case for the service he has rendered.

He has accepted the position of chief electrician with the Luscar Coal Company. He has been a resident of Coleman for more than 30 years.

Chosen One Of Twenty-five

Mr. and Mrs. Bob Love of Kimberley and formerly of Coleman have received word that their son David Love is one of 25 Bank of Montreal staff members picked from 1,000 applicants from across Canada to take computer training in Montreal at the head office.

A former Kimberley Bank of Montreal employee, Mr. Love is presently employed as an accountant at the Williams Lake branch. Mr. Love and his wife left for Montreal on Jan. 21.

Resigns as Chairman of Library Board

It was with much regret that the Coleman Community Library board accepted the resignation of Mrs. Bessie Upton as chairman of the board, at the annual Library meeting held Monday, Jan. 19. Mrs. Upton who was chairman of the board for nine years indicated that she will continue to be an active member of the Library.

Mrs. Molly Strickland, former assistant librarian, was elected to the position of chairman. The remaining officers were returned by acclamation: secretary, Mel Cornett; treasurer, Mildred Zak; Librarian, John Wavrecan; publicity agent, Jerry Rejman. Mrs. Caroline Holyk, a new member to the board, was elected as assistant librarian. Other board members include Mrs. Lorraine Aiello, Mrs. Emily Misura, Mrs. Catherine Wecko, Mrs. Bessie Upton, Mr. Steve Penny and Mr. Horace Allen.

Mrs. Bessie Upton on behalf of the Library board extended a vote of thanks to the Library workers who devoted their time to make the Library a successful endeavor. The workers include Margaret Krywolt, Lorraine Aiello, Grace Franz, Kathy Cornett, Bessie Upton, Caroline Holyk, Helen Liddell, Vera MacQuarrie, Marilyn Hurtak, Molly Strickland, Emily Misura, Lynn Payne, Catherine Wecko, Tillie Korman, Ann Binda and Josephine Kullig.

The Library ended its 1969 season in relatively good financial standing with a bank balance of \$638.28. The total receipts for 1969 were \$1,422.96 and the total disbursements were \$1,095.25. Mr. Wavrecan in his Librarian's Report indicated that there was a drop in membership and circulation for 1969. There were 162 members

consisting of 107 juniors, 21 high school and 34 adults. The circulation of books for 1969 was 3,043. There are 4,600 books on the shelves consisting of 1,830 adult books and 2,678 junior books. This is an increase of 360 books from last year. The largest membership and book circulation was in 1966 when there were 225 members and a circulation of 4,044 books.

The Library board was quite concerned with this drop in membership and they hope to make library membership their main project for 1970. It is most discouraging that there are so few adult members. It appears that reading for enjoyment is becoming a dying art with the adults or perhaps they have become involved in the world of paperback novels. Certainly the Library is not lacking in good adult books, perhaps what is needed to encourage members is a special "adult only" shelf. It is also surprising that there was a drop in junior membership and it is very discouraging to see only 21 high school members. Reading should be a major part of our education and parents and teachers should encourage our children to do more reading but then again reading must compete with the world of television.

As members of our community we should cooperate with the Library board in their endeavor to make 1970 a success by helping to increase its membership. The board is doing its part by ensuring that there is always a good selection of books on the shelves. A new shipment of books has just arrived and will be placed on the shelves shortly. Let us all make every week Library Week

Nursing Aides Meet Over Bill 119

Representatives of 4,200 certified nursing aides in Alberta met last week at a policy-making conference to discuss bill 119, expected to come up for second reading in the legislature which starts Jan. 29.

Bill 119 would set up an Alberta Council of Nursing.

Sylvia d'Hulster, President of the Alberta Certified Nursing Aide Association, said the composition of the nursing council is the "greatest concern" of the association.

She said the association would recommend to Health Minister James Henderson that there should be equal representation on behalf of all nursing bodies, including nurses aides, registered nurses, orderlies and psychiatric nurses.

Mrs. Ruby Cleave and Mrs. Dorothy MacQuarrie were delegates from the C.N.P. Chapter No. 11.

Will Attend University of Lethbridge

A number of Dale Montal bettie's friends met in the Catholic hall on January 9th to wish him success in his future studies at the University of Lethbridge. After an enjoyable evening he was presented with lovely gifts, for which he very ably thanked all for their good wishes and gifts.

Pythians Elect Slate

Rose Lant was installed as Most Excellent Chief of Progressive Temple No. 3 Pythian Sisters in the IOOF Hall recently by Past Chief Evelyn Hopkins assisted by Past Chief Helen Hopkins and Past Chief Elsie Wilson.

Also installed during the impressive ceremonies were Past Chief Mary Haddas; Excellent Senior, Frances Bartolotti; Excellent Junior, Anna Bodich; manager, Mary Ball; treasurer, Alma Roughshead; secretary, Helen Hopkins; Protector, Rosalind Ritter; guard, Elsie Wilson and pianist Amy Penney.

Gifts were presented to the installing officers and pianist and also to Past Chief Mary Haddas and secretary Helen Hopkins in a preciation for their good work.

Forest fires cause water pollution.

Preventive Pointers

On Feb. 11, 12 and 13, the provincial Preventive Social Service program will be holding its annual conference in Calgary, Alta. The theme of this conference will be, "What Difference Does It (Preventive Social Service program) Make?"

In attendance will be councilors who are Preventive Social Service board members, from all of the 18 programs now operating in Alberta. Representing the province will be Hon. Ray Speaker, minister of Social Development, along with his staff from the social planning and development branch. A number of special resource people will be on hand, including Mr. Harold Kardian, president of the Indian Association of Alberta. The sessions will include discussions on topics such as: Prevention, problems, successes and opportunities; town hall meeting, with the minister, Hon. R. Speaker; Progress workshops on family life education; Senior citizens, lay counselling, programs.

Representatives attending from our Preventive Social Service program include Mr. Ken Phillips, vice-chairman of the board, Harold O'ward, Preventive Social Service director, Dave Hambling, counselor and director of the Family Life Center, R. Brumond, supervisor of the Headstart program, and Hazel Corney, secretary, Preventive Social Service office.

Due to the interest of the P-Igan Band in entering the preventive program, the board is also sponsoring two of the Peigan Band council members, Hughie Crow Eagle and Leonard Little Moustache as observer delegates.

Judging from previous conferences, our delegates will bring back many fresh and stimulating ideas which will be of value in improving our own community service programs.

White Cane Week - Feb. 1 to 8

Blind people are people. They wish to be accepted, not rejected; understood, not pitied. The blind man is a member of our community.

On behalf of the Canadian Council for the Blind and The Canadian National Institute for the Blind I urge that we find out for ourselves - be could be one of our friends. The blind man does not sit in a rocking chair by the stove all evening, or stand on the street corner selling pencils, as was the case a few years ago. Through the understanding of our interested public in the past years, blind people are no different from their sighted friends, except that they do not see. The blind man would rather listen to a hockey game than sit in a noisy tap blind child. He is not afraid, better than anyone and they hate homework. Buying a new hat, trying a new recipe and gossiping over the back fence are common activities for the blind and the sighted housewives. Blind people go to universities, dress like other students and even protest occasionally. Some blind girls have helped put their husbands through university. Blind people all across Canada take up their role in society. Of course there are many things blind people cannot do. They can't sit down and read the paper, instead they get someone to read it for them. Sometimes they need help with shopping and getting around town.

During White Cane Week and throughout the year, let's get to know our blind neighbors better. Learn about their problems and we will discover they are not much different from our own, that's because blind people are people too.

Smoking Warning

By A. E. BRIDGES

Alberta Fire Commissioner
It has come to the Alberta fire commissioner's attention that a congressman of the state of Pennsylvania, USA has introduced a bill in the United States House of Representatives proposing to amend the Federal Cigarette Labeling and Advertising Act.

If the bill should pass as presently worded, the following statement would be located in a conspicuous place placed on every cigarette package:

"The smoking of cigarettes is a dangerous fire hazard that results in hundreds of deaths and many millions of dollars in damage each year. You are urged never to smoke in bed or when in a drowsy condition and to be absolutely certain that each cigarette, before it is disposed of, is completely extinguished."

Why not such a law for Canada, or would that be construed as a form of U.S. cultural domination?

AGT New Sunday 50 Plan

AGT reports that its new Sunday 50 plan is being extremely well received throughout Alberta.

The plan permits Albertans to call friends anywhere in the province on Sundays for a maximum charge of 50 cents for the first three minutes, and or a maximum charge of 16 cents for each additional minute.

In areas where direct distance dialing is available, the special rates apply only if customers direct dial their own calls. Where DDD is not available, the special rates apply on station-to-station calls placed through an operator.

The rates do not apply on person-to-person, collect, third party billing, time and charge, pay phone, or credit card calls.

Letters to the Editor

Dear Tom and Mildred,

A very happy, peaceful and prosperous 1976 to you and your family.

Enclosing my yearly subscription for the Journal would surely miss it, if for any reason you decided to discontinue publishing same, "horrible thought."

We had a wonderful Christmas spent in Victoria, visited many former Colemanites and was very happy to meet the Frank Grubbs at the Vaux House home. Also Mrs. Higgins, all were fine and looked so well. Also saw the H. T. Finnes, and many, many more.

The weather out here on the coast was absolutely divine, no wind, rain or snow. Just

great! My son Allan and family phoned us from Winnipeg which always makes for a nice visit. They too were fine, but of course having somewhat colder weather than us. Had a nice evening last Friday with Mike and Anne Warracan in Ladysmith. They were well. Of course Coleman and former friends were discussed plenty during the evening. Best regards to all my many friends in Coleman and I wish them all a happy and prosperous 1976. Also the Wesleys and Harrahns most sincerely.

-MRS. Wm. STACE
formerly Ethel Koonchek
4 Summer St.,
Nanaimo, B.C.

Dear Tom,

Please find enclosed money order for \$2.50 for my subscription to the Coleman Journal which I enjoy very much, except when I see when quite a few of my old friends and buddies have passed on, but that's life and we must face it and not let it get the best of us.

I am sure pleased that the weather has warmed up. It was pretty nippy while I lasted. With so much dry and cold around I stayed in as I did not want to take any chances and it payed off, now that the weather has warmed up I feel just great and will get out for my long walks, hope this finds you all in Coleman in the best of health.

Yours Sincerely,
-E. C. "Bud" CLARKE

In the past two weeks I have had several ladies ask questions about the care and the sewing of polyester fabrics (tergal, dacron, polyester, terylene, torgal, kodol, teryira). Polyesters have many excellent qualities—very good strength, very high resistance to wrinkling, excellent crease retention, good dimensional stability, resistance to sunlight, moths and mildew.

Polyester fabrics and blends are truly easy-care fabrics. The excellent crease-resistance saves hours of ironing time in polyester-cotton blend shirts and blouses and makes polyesters a marvelous travel mate. New polyesters have better

dyeing qualities also so that a wide variety of colors are coming this spring.

One of the big questions on care of polyesters is the removal of oily stains. The polyester fibre has an affinity for oils. Oily areas should thus be given special care to ensure removing them. Always pre-treat them with a paste made with detergent and water before washing. If the stain still refuses to come out, try a fireproof spot remover. Polyesters can be washed in the washing machine and dried in the dryer, but remember that heat may wrinkle in the fabric so keep the heat in the dryer down. When ironing a polyester-blend, use low heat and work carefully. Once pressed in, wrinkles are difficult to remove. Chlorine bleaches are harmful and should not be used with polyesters.

Polyesters are easy to sew. The seams should be polished slightly when sewing to allow some give when worn. Polyester lining and polyester thread should be used with polyester outer fabric. These have the same care qualities as the inner fabric and would allow the stretch and have the strength necessary to match the performance of the outer fabric. Lining is not necessary with many garments—especially the formal knits.

When sewing, set the machine to any loose tension and medium stitch length use a fine, sharp needle. If puckering still results, a straightener with a small rule may be necessary.

If you have any further prob-

lems with the foretell, feel free to ask. Also, we have a pamphlet called Fabric Facts and Fiches which deals with all kinds of fabrics, their care and qualities. For those who are trying to make the sewing scene, we'll be setting up a sewing course in Pincher Creek and possibly one in Cowley soon. Also don't miss Miss Patricia Macaluk, Home Management Specialist, Department of Agriculture speaking on Farm Record Keeping on Feb. 4 at the Municipal Building in Pincher Creek.

Slow me down, Lord

By Orin L. Crain

"Slow me down, Lord!"
Ease the pounding of my heart
By the quaking of my mind.
Steady my hurried pace
With a vision of
The eternal reach of time.
Give me,
Amidst the confusion of my day,
The calmness of the everlasting hills.

Break the tensions of my nerves
With the soothing music
Of the singing streams
That live in my memory!
Help me to know
The magical restoring power of sleep.

Teach me the art
Of taking minute vacations
Of slowing down
To look at a flower
To chat with an old friend —
Or to make a new one!
To pat a stray dog;
To watch a spider build a web
To smile at a child.

Or to read a few lines
From a good book.
Remind me each day
That this race is not always to
the swift.

That there is more to life
Than increasing its speed.
Let me look upward
Into the branches of a towering oak.

And know that it grew great and strong
Because it grew slow and well.
Slow me down, Lord!
And inspire me
To send my roots deep
Into the Soil of Life's enduring values.

That I may grow toward
The Stars
Of my destiny.

If you're going out ice skating
in the country, don't walk on ice
at any of the following places, over
flowing water, on tidal rivers,
near open water on wind-swept
slopes or on salt water. Ice is not
safe unless it's four inches thick.

Friends meeting Mrs. Jim Cousins in Lethbridge enjoyed a visit with her, they sent best wishes to old friends in Coleman.

Recreation 70

The recreation board received a verbal indication from the councils of Frank and Bellevue, that they too are in agreement with the construction of a swimming pool in the Pass. That then means that the entire Pass endorses the program, in principle.

To the recreation board, this means results in return for almost two years of hard work on your behalf throughout investigations and meetings.

The construction of a pool will earmark the first time that the Pass has gotten together to construct a major facility. Throughout that time there has been doubt, in some minds, but persistence has prevailed.

The recreation board is happy, and they have reason to be, as I'm sure you'll all agree.

The next step is to contact the department of municipal affairs in request for L.D. No. 5's share of capital costs. You will note in last week's paper, that they are the major contributors to the Capital fund. With the Pass united, all grants totalling \$45,000 will be available and the department of municipal affairs is almost sure of contributing their share of \$43,240.

This is your pool, it needs your support now, more than ever before. If you are not clear on the pool itself or any part of the program for development, contact your recreation office, any staff or board member will be most happy to assist you.
